Tula’s Institute: The engineering & management college Tulas Institute was recognized as one of the Top Engineering Colleges in India for its excellence in academic programs from undergraduate to graduate levels. It offers a wide range of engineering and management courses. Tula’s Institute is committed to offering high-quality education and facilities to ensure excellence and prestige for students. The institute provides excellent infrastructural facilities with well-equipped laboratories, modern computer centers, libraries, and well-furnished classrooms, seminar hall, library, workshop, and auditorium. As a result of the efforts of Tula’s Institute, the institute has been ranked not only as one of the Best Engineering Colleges in Uttar Pradesh but also as one of the leading MBA Colleges in the state.

About ICCA2017

The 3rd International Conference on Advances in Computing, Communication & Automation (ICCA 2017) provides an international open forum for the researchers and technologists in academia as well as in industries from different parts of the world to interact, exchange concepts, prototypes, innovative research ideas, and share the results of their work research which could contribute to the academic area and further benefit the business and industrial community.

Tula’s Institute organized the first IEEE International Conference on Advances in Computing, Communication & Automation in 2015. This year, Tula’s Institute is organizing the conference in collaboration with IEEE Computer Society & Automation on 15 & 16 of September 2017. This conference is open to both researchers and practitioners. The conference offers opportunities for researchers, practitioners, academicians, and students, and will cover myriad topics in the Advance Computing, Communication and Automation.

Artificial Intelligence & Image processing: Pattern recognition techniques, Game Theory & Applications, Fuzzy Logic, Natural Language Processing, Machine Learning & Data mining Techniques, Computer vision techniques, Computer applications.

Submission Procedure and Guidelines

Interested authors are invited to submit full papers including results, figures, and references. Papers will be accepted only by electronic submissions through open chair: https://easychair.org/conferences/?conf=icca2017

ICCA2017 includes papers in advance printed version, which will be distributed to all the participants.
