About the University

Shri Jagdishprasad Jhabarmal Tibrewala University is approved by Rajasthan State Govt. Act 2009 F2(5) Vidhi/2/2009. It has been sponsored by Rajasthani Seva Sangh, Mumbai, a registered trust of Vide Industrialists, business houses, who have their roots in Rajasthan, with a view to uplift the academic and economic growth of their native area. The University is located at Vidyanagari, Chudela, Jhunjhunu-Churu road, Jhunjhunu. The University has highly qualified and experienced faculty educated from premier institutions of India and abroad. The University is research oriented and is focusing on innovations and research.

About the Institute

The Institute of Engineering has a long and distinguished history created by eminent faculties and researchers who have made major contribution to engineering and technology over the past decade. The faculties of the institute have done extensive research in diverse areas of engineering. The Institute of Engineering covers Mechanical Engineering, Civil Engineering, Computer Science & Engineering and Electronics & Communication Engineering by offering Diploma, BCA, MCA, B. Tech., M. Tech and Ph.D. programs.

About the Conference

The "International Conference on Emerging Engineering Technology & Innovation (EETI 2024)" is an online multidisciplinary International conference will be organized by the Institute of Engineering, SJJT University, Jhunjhunu, Rajasthan, India on 22- 23th October 2024. EETI-2024 will provide a International platform for research scholars/ scientists/ industrialists and academicians to present, discuss and publish the state of the art, the current research trends, Futuristic development in engineering practices. It will mainly focus on the research aspects of Mechanical Engineering, Civil Engineering, Computer Science & Engineering, Information Technology and Electronics & Communication Engineering.

Aims & Objectives

- This International Conference provides opportunities for researchers, engineers, and practitioners to exchange new findings, breakthroughs, and technical expertise in their respective domains.
- To present the latest research and results of Researchers, academicians as well as industrialists related to Engineering (Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering & Computer Science Engineering) and Science.
- Keynote speeches at this conference will focus on developing skills, learning about best practices, and remaining current with industry developments.
- Attending conference can boost professional awareness, create opportunities for promotion, and promote personal growth by exposing you to a variety of perspectives and experiences.
- Facilitate interaction between various engineering disciplines, promoting interdisciplinary approaches to solving complex global challenges.
- Inspire new ideas and innovative thinking by exposing attendees to novel concepts, fresh perspectives, and diverse viewpoints.

Sub Themes

- All Engineering fields
- Machine Design
- Digital Manufacturing
- Thermal Engineering
- Fluid mechanics and Hydraulic Machine
- Computational fluid dynamics
- Energy systems design and optimization
- Manufacturing and Industrial Engineering
- Composite Materials
- Materials Characterization
- Aerospace Technology and Aeroacoustics
- Automotive Engineering and Engine Technology
- Concrete Technology and sustainable materials
- Structural Dynamics
- Soil Structure interaction
- Geotechnical Earthquake Engineering
- Traffic Engineering and sustainable mobility
- Algorithms and Data Structures
- Computational Science and Applications
- Soft Computing
- Artificial Intelligence(AI)
- Cyber Security and Forensics
- Speech Recognition and Synthesis
- Intelligence Video Analytics
- Cryptography
- Machine Learning
- Theoretical Computer Science and Algebra
- Image Processing
- Internet of Things (IoT)
- Communication Electronics and Microwave
- Antenna and Wave Propagation
- Basic Humanities & Science

Who Are Eligible

We invite Faculty Members, Researchers, Legal Experts and other Professionals from all Universities / Institutes/Departments/Schools/ Colleges to participate in this International Conference in Online mode.
