### **About Conference:**

Education is an important pillar of any society, fundamental to achieving full human potential and developing an equitable and just society for promoting national development. The new National Education Policy-2020 (NEP-2020) envisions bringing about significant reforms in higher education to cater to the changing landscape of knowledge and create global standards of education. This requires a deep dive and thorough understanding of the provisions and the approach for effective implementation of the same.

### **Conference Objectives:**

- To create awareness on the perspectives of the National Education Policy 2020.
- To visualize a unique education system to meet the global standards of education.
- To identify and bridge the gaps in curriculum and attainment of future learning outcomes.
- To discuss the roadmap towards a holistic education.
- To aid in materializing the vision of transforming India into a vibrant knowledge society.

To facilitate exchange of ideas and networking amongst National & International stake holders.

To assess the impact of National Education Policy on higher education.

To discuss the required regulatory reforms, faculty upgradation and student flexibility Integral to effective implementation of NEP.

To create an ecosystem for multidisciplinary education, research & funding.

### **Panel Discussion:**

The main purpose of a panel discussion is to provide a platform for experts in a particular field of NEP-2020 on a specific topic to express your opinions, challenge each other, and explore topics of discussion that provide value, insight, and information for the audience.
